Beverly Hospital to Host Blood Drive on August 18, 2020

- What:** Beverly Hospital in conjunction with the American Red Cross will be hosting a community blood drive open to the public.
- When:** Tuesday, August 18, 2020 from 9:00 am to 4:00 pm
- Where:** Beverly Hospital, Basement Level Conference Rooms 309 W. Beverly Blvd., Montebello 90640
- Who:** All community members are encouraged to RSVP to donate desperately needed blood. Please visit RedCrossBlood.org and enter Sponsor Code: Beverlyhospital to schedule an appointment or call (323) 725-5032.
- Why:** A decision to donate your blood can save a life, or even several if your blood is separated into its components — red cells, platelets and plasma — which can be used individually for patients with specific conditions. During the COVID-19 pandemic blood supplies are at a historic low. Beverly Hospital follows and exceeds all Centers for Disease Control guidelines in providing a safe environment for our patients and visitors.
- Additional Information:** Streamline your donation experience and save up to 15 minutes by visiting RedCrossBlood.org/RapidPass to complete your pre-donation reading and health history questions on the day of your appointment.

###

About Beverly Hospital

Since 1949, Beverly Hospital has been providing quality medical care to the residents of Montebello and surrounding communities such as Pico Rivera, Monterey Park, Rosemead, El Monte, Whittier, and East Los Angeles. Today, this 202-bed acute bed facility is a leading independent, non-profit community hospital, recognized nationally for providing quality care and has a medical staff of over 400 physicians.
