

## BEVERLY HOSPITAL TEMPORARY VISITING HOURS

The team at Beverly Hospital is committed to maintaining the highest safety standards. The following temporary visiting guidelines have been activated as of January 5, 2022. Visitors will be permitted for patients with special circumstances\*

Anyone provided access will be screened and required to wear a non-cloth mask before entering the facility. Masks will be worn at all times, and our code of conduct and social distancing practices will be enforced. Those visiting patients due to special circumstances are limited to one person, per patient, per day. All visitors must show acceptable proof of vaccination, or a negative test result within the last 48 hours. No eating or drinking is permitted in patient rooms. If you fail to comply with these guidelines, you will be asked to leave the facility.

### General Hospital Visiting:

- No visitors except for special circumstances
- Two 15-minute virtual visitation sessions can be scheduled between 8am - 1pm; 4pm - 8pm
