

## Montebello Emergency Department Open to 911 Transports with Reopening of ICU

Media Contact: Grace Hauser | MarCom Manager | Adventist Health White Memorial | [HauserGM@ah.org](mailto:HauserGM@ah.org)

We're excited to announce that Adventist Health White Memorial Montebello\* has opened a newly refurbished intensive care unit (ICU) this week. Providing ICU services furthers our commitment to maintaining a meaningful access point to emergency care services for Montebello and the surrounding communities.

With the opening of the ICU on October 2, 2023, 911 EMS transports to Adventist Health White Memorial Montebello have resumed. The Emergency Department is open to walk-ins, basic life support transports, and acute life support transports. The ICU is staffed by fully trained and experienced ICU nurses. Dr. Stephen Chen, a Critical Care Medicine Specialist, is the medical director of the ICU. Physician care for patients is provided at all times in our ICU.

Yesterday we hosted a lunch at the Emergency Department entrance to welcome back our ambulance and paramedic professionals to our hospital!

Thank you to the many individuals who contributed to the timely and successful reopening of our ICU at the Montebello site. We are truly living our mission to provide health, wholeness and hope to the communities we serve.

\*The former site of Beverly Hospital and its adjacent medical office building began operating as Adventist Health White Memorial's newest site under a new name: Adventist Health White Memorial Montebello on September 7, 2023.

### About Adventist Health

Adventist Health is a faith-based, nonprofit, integrated health system serving more than 80 communities on the West Coast and Hawaii with over 400 sites of care. Founded on Adventist heritage and values, Adventist Health provides care in hospitals, clinics, home care, and hospice agencies in both rural and urban communities. Our compassionate and talented team of 37,000 includes employees, physicians, allied health professionals and volunteers driven in pursuit of one mission: living God's love by inspiring health, wholeness, and hope. We are committed to staying true to our heritage by providing patient-centered, quality care. Together, we are transforming the healthcare experience with an innovative and whole-person focus on physical, mental, spiritual and social healing to support community well-being.
